

Annex F

DISSEMINATION OF NLFS DATA TO USERS

All potential users of the NLFS data set will be required to adhere to the following conditions:

1. NLFS data is given to all users subject to the provision that (i) they duly acknowledge that the data used has been provided to them by CBS, and that (ii) CBS be provided with one copy of all publications in which NLFS data has been used.
2. They provide an undertaking that they will not pass copies of the data received to other individuals or organizations without first obtaining written permission from CBS allowing them to do so.
3. A fee will be levied on all users to cover the cost of preparation of the following materials. In the interests of encouraging as many users as possible to use the NLFS data, this fee will be levied at a different rate on users according to the following criteria:
